

August 2013

Flint River Knife Club

mullikim@comcast.net

WELCOME to our guest at the July meeting, Erika Phuhar! Erika had taken a week of knife making lessons from Wayne Hensley quite a few years ago. She also joined the club that evening.

A **CLUB OUTING** to Alabama Damascus has been planned for **Tuesday, Aug. 13**. The shop forges only in the mornings, so we will leave early. We will meet somewhere off I20 near Douglasville for those who wish to carpool. More details will be available at the August meeting.

The **FESTIVAL at NASH FARMS**, for September has been cancelled. They do plan on holding one in the spring in April 2014, as they did this year.

TICKETS for the BENEFIT KNIFE are still available. Contact Nola Costin or Marsha Brewer to pick up some to buy or sell.

Wayne Hensley custom-crafted this beautiful knife to help commemorate his and Becky's 50th wedding anniversary, that's a half-century of being together. The knife was specifically designed to cut the anniversary cake. The elegant handle scales are gold-lipped pearl and the engraving, featuring wedding and Bell Telephone bells, was executed by Michael Collins.
